About Me

I am a dedicated and tech-savvy Bachelor of Computer Applications (BCA) student with a strong foundation in web development and a passion for technology. Skilled in developing websites using WordPress, I enjoy creating user-friendly and functional digital solutions. I am eager to apply my knowledge in real-world projects, expand my technical expertise, and contribute to innovative IT solutions.

◆ Experience

◆ Hatiomn's Group

Nov 2022 - 2024

- Developed and maintained multiple WordPress websites for clients, ensuring responsive design, optimized performance, and user-friendly interfaces.
- Customized WordPress themes and plugins using HTML, CSS, and basic PHP to meet specific client needs and design requirements.
- Integrated SEO best practices to enhance website visibility and improve search engine rankings.
- Collaborated with clients to gather requirements, provide technical support, and deliver projects on time.
- Ensured cross-browser compatibility and mobile responsiveness for all websites.
